

# 陸運會花絮

本報記者

2011年，本屆東陸運會中，東天同學在運動成績單上刷下不少新紀錄，實在令人鼓舞！同時，在陸運會場上除了有不同田徑項目進行，當然少不了令人引頸以待、舉世矚目的盛大比賽——一條龍接力賽！這個項目是由小學一年級到中學七年級的同學和兩名老師參加，分別有一、二、三、四、五、六、七、八、九、十、十一、十二、十三、十四、十五、十六、十七、十八、十九、二十、二十一、二十二、二十三、二十四、二十五、二十六、二十七、二十八、二十九、三十、三十一、三十二、三十三、三十四、三十五、三十六、三十七、三十八、三十九、四十、四十一、四十二、四十三、四十四、四十五、四十六、四十七、四十八、四十九、五十、五十一、五十二、五十三、五十四、五十五、五十六、五十七、五十八、五十九、六十、六十一、六十二、六十三、六十四、六十五、六十六、六十七、六十八、六十九、七十、七十一、七十二、七十三、七十四、七十五、七十六、七十七、七十八、七十九、八十、八十一、八十二、八十三、八十四、八十五、八十六、八十七、八十八、八十九、九十、九十一、九十二、九十三、九十四、九十五、九十六、九十七、九十八、九十九、一百。

鄺偉強 (中七望)

那麼，究竟為什麼會構思出這項活動？目的是強化本校一條龍的特色，嘗試將中、小學同學合併新接力賽。每級均有代表，一年級交棒給二年級，直到交棒給中學七年級，含意是同學入讀東天可以由小學一年級讀到中學七年級。而為什麼有老師加入接力賽？是因為原本陸運會有的「社際師生接力賽」，卻發覺因時間不足而取消。老師發覺到同學會因此感到失望和可惜。後來就決定把老師亦加入一條龍接力賽當中，讓師生都一起來參加這一個盛大的比賽，所以便安排了老師加入此項目，同時，這一個比賽象徵著，我們東天的學生，由小學一年級到中學七年級都有老師照顧。其實比賽的贏輸不重要，最重要的是過程中，老師和學生都全情投入比賽中，發揮體育精神！

## 《一條龍接力賽》校長角度

站在起線前，看著小一至中七生順序排好，我彷彿如踏進時光隧道般。回想起我兒童時的燦爛童年，青少年的熱血青春，或已是一個花甲之年的校長，方感到歲月果真不饒人，體會到「一寸金難買寸光陰」一句當中的唏噓和無奈。我向眾人說道「一條龍接力賽，是前無古人，後無來者的賽事」，其實我們的時間又何嘗不是這樣呢？昨天，取代不到今天，明天抹殺不到今天，每一分每一秒都是獨特而不能取代啊！坐在台上觀賞賽事，看著小一生笨拙地邁開小小的腳步，向前方同學遞出接力棒；中七生則接過來自小一至中六的接力棒，雄赳赳地擺動雙臂、雙腿，奮力向前方的終點跑去時。「傳承」兩字在我腦中浮現，我花費無數心血，為學生打造最舒適的學習環境，分享我地感悟期望，將一生的精力寄托學生身上。期望他們能接住我的接力棒，朝著美滿人生邁出重要一步。

片段創作

## 334 學制答問

記者：對比舊時之學生壓力會否增加？  
張光華老師：其實在所難免，學生第一次面對公開考試，而老試就定了學生有無機會進入大學，所以比舊制學生的壓力較大，舊制學生面對過兩次考試公開考試，一次同兩次效果有很大分別。

記者：中六同學要選科了，有何提示？  
張光華老師：學生在選科的時候需要由自己出發，想想自己有沒有對一些特定的科目有興趣，或者是自己對一些科目擁有一些特別的能力，或者由自己的理想和前途作為出發點去選擇合適的科目。因為選擇科目有幾個難關，除了校內成績和課外活動成績，選擇科目有幾個難關，是對已選修的科目存有疑問，在面試中便未能對答如流。其次，大學的收生制度是取決於學生對該大學與其學科的認識作為一個指標，因為部份學生對自己所選的科目表達為自己最喜愛的科目，相反一提及將來自己在社會中擔當一個怎樣的角色或是一些自己的抱負。所以同學在選科時候的眼光一定要闊及有遠見。

記者：很多人覺得通識卷評分標準不清晰，有時自己答得好長，別人答得好短，但分數卻相近。另外，做完一份練習後，看回參考答案時，答案相差不多，但分數與評分標準卻不符，不知道評分標準的準則有否加入主觀的成份？  
麥卓光老師：其實通識卷的評分標準是清晰的。就以一條高中的20分題目為例，它的成績是分了5個等第，分別是1-5分、4-6分、7-10分，其中老師會根據各等第的特徵來判斷他的等級，給予他一個合適的分數。而答案字數的長短不會影響分數，最重要是論點清晰，論據準確和論證正確，而且具備邏輯思維和技巧。其次，通識卷沒有標準答案，只有清晰的評分標準。當然，其標準會有改善者一些主觀的成份。但其實老師都會有同尺度來評分，例如一班相同水平的學生當中，很多同學都是同一等第，但有些是高分，有些卻是低分。是因為明顯有些同學是達到某個等第，而他同學不能達到。所以他們的分數雖然是一等第，但分數卻會不同。而且他們的答案和分數的答案是會有高低之別的，例如，答題技巧較好，所以老師是不會出現亂給分的情況。而老師是想把同學的等級分清楚，所以主觀的成份對同學的分數沒有太大影響。

Hooray! The holidays are coming! It is definitely a good time for movies – Harry Potter, Twilight, You are the Apple of my Eye, Sherlock Holmes, Toy Story and so on. Billboards and posters are everywhere promoting new and upcoming films. What sorts of films would easily grab your attention? It's hard to pick, right? In this sense, why don't you take a quick look at some film reviews beforehand? Some of our junior schoolmates have written a film review on different movies. Let's read them to see if their picks suit your taste!

## “Back to the Future”

S2E Holly Chan  
This film is called “Back to the Future”. The director of this film is called Robert Zemeckis. The leading actors are Marty Mc Fly (played by Michael J Fox), Dr. Emmett Brown (played by Christopher Lloyd) and George Mc Fly (played by Christopher Lloyd). The film was released in 1985. It is a science fiction and comedy film. I like this film because the film music and the story are excellent! It's talking about a boy called Marty who was invited by his neighbour, Dr. Emmett Brown, to see his latest invention – the time machine. When they were trying it, some terrorists attacked them and Dr. Brown sent an injured Marty back to the year 1955 to change history and save Dr. Brown. In his new adventure many things happened to him and he finally found Dr. Brown in 1955 and helped him to invent the time machine to bring him back to the future.

In the period while he was in the past, he accidentally found his dad and mum, but his mum fell in love with him. This would change history and he needed to change everything back to normal. His dad liked Marty's Mum, but he had no confidence to tell her. Marty told him some ways to tell her. But he almost failed every time. The time machine was going to be finished, and Marty had to go or he would have no chance to go back to the future. Marty had to find a way as fast as he could. He called his dad and his mum secretly to a party. And his dad finally won Marty's mum's heart and everything became normal. And finally he got into the time machine with power from a huge lightning bolt and went back home to 1985.

I love this film very much, because the characters act very well like Dr. Brown and Marty. I like their costumes also the special effects are good too. The lightning hit the tower and then the electricity was transferred to the time machine. This scene is so explosive and exciting. Also, the music was great too.

In conclusion, the movie is best movie I've ever seen. The special effects are brilliant. The story is creative and very outstanding. Also some parts tell us some scientific facts. So it's also educational. Finally I would like to recommend this film to you. I hope you will enjoy it when you watch it.

## “Kung Fu Hustle”

S2E Cheung Kwan Ho  
The best film that I've seen is “Kung Fu Hustle”. This film is a type of Kung Fu film and it includes action, romance or even comedy. I like this film because the action parts of the film are very exciting. The most important point is that I like this film very much as this film is extremely amusing. It makes me laugh and laugh. But I think the plot is a bit predictable.

The leading actor is Stephen Chow. He is also the screen writer and director in this film too so that makes this film even more amusing.

## “3 Idiots”

S2E Ng Ka Man  
In this film, the 3 main characters, Rancho, Farhan and Raju were studying in an engineering university but only Rancho and Raju loved engineering, and Farhan loved taking photos of animals.

Since Raju and Farhan met Rancho, they had so many interesting but meaningful experiences. For example, there's a part of the film that talks about Silencer, a student who liked to ingratiate the teachers. He needed to prepare a speech but he didn't really know how to write it and how to ingratiate the teachers so he just found someone to help him to prepare the speech and so he could just read it. But Rancho changed the content of speech which teased the teachers for enjoying to give the students a hard time. It seems like this plot was funny but it could also reflect that many students only know how to read and recite a text, but they do not really know the meaning of the text and they do not really want to learn so it's a bad reflection of the education system.

There's also a part where Farhan's father didn't want his son to learn taking photos of animals, but because of Raju, Farhan's father let him do what he wants. This plot was touching and reflected that parents should not push their children to learn only what the parents think is good. They need to know what their children really want. It is actually a bad time for the children.

I love this film because it's touching and also great fun, and it reflects the bad aspects of the education system.

We always think of TCCS as a warm and welcoming place where we can see flowers blooming, birds chirping and teeny tiny insects and creatures crawling. As the night falls, the darkness draws in mysterious side...? In the letters below, you are going to read two students' fantastical visions of TCCS at night time. We hope you enjoy their stories!

Hi Paula, S4B Charles Chau Chi Chung

How are you doing? I know you want to write about a horror story and are busy looking for an authentic setting for your story, I think I have some good ideas for you. I think my school is suitable for your horror story because my school has been a really spooky place recently and you are going to love the stories associated with my school! Trust me, the stories are no fabrication!

The background of my first story is my school hall. There should be nobody in the hall at night but every time my classmates pass by, they can always hear some music playing loudly. Sometimes the song 'Oh Dead' is played inside the hall. The scary thing is, the school is locked, no one can go inside. I think it is eerie.

The next frightening place at my school is the toilets on the second floor. All toilets on this floor are locked and they are out of bounds to all students, so they are supposed to be empty. However, if you happen to step closer, you can always hear a woman's voice. One time, some classmates of mine wanted to know what the voice was all about. However, after they went inside the toilet, they started acting strange! I think you might want to choose to use this as a scene in your story but I haven't told you my most scary supernatural experience yet...

Yesterday, I went to the music room at night, I saw no one in the music room but I could hear someone play the violin, I was scared stiff! Then I saw a hand take a knife trying to stab me, and then I was dead! Ha! Ha! Ha! Ha! Ha! I am kidding.

I hope you can choose my school as the setting for your horror story. If you have any problems you can knock on the door to the music room at night. Maybe you can see my head!

Best wishes, Chris

Hi Paula, S4B Helen Chu Hoi Ying

Thanks for your last letter. I know that you are writing a new horror story about a haunted school. I think this idea is good and it's a fresh topic.

My school is suitable for you to write your horror story. I'll tell you why now. My school was built in the 1950s. It's kind of old, isn't it? After 20 years of continuous renovations, none of us students get the reason why they never renovated the fourth floor and why they always lock up the girls' toilet on that floor. These two places give me an eerie feeling. However, the most frightening place has to be the lift. The lift always stops for some meaningless reason and we have already complained to the teacher. She said there wasn't a problem, but I seriously doubt that the lift has “no problem”!

First of all, since there has never been a renovation done on the fourth floor, the floor is drafty. If I needed to go there to study, I would suddenly sneeze. It is really cold. In summer, even when it is 30 Degree Celsius, it still feels chilly. It's like being inside a room with the air-con blowing on full blast. My classmate said once when she walked past the fourth floor, she could hear many footsteps. It sounded like many “people” walking. However, her friends said it must be the ghouls!

Here comes the second most horrifying place – the fourth floor girls' toilet. There are many tales. Somebody said that sometimes they can hear many “girls” chatting and laughing. Some students said sometimes there is a lot of hair on the floor and even after the janitors have cleaned it, the hair would still be there. Nobody knows where the hair truly comes from...

Eventually, I think the spookiest place is the lift. The lift always stops for no obvious reasons and the light flashes from time to time. This is the most horrifying experience I have ever had. Around two months ago, I entered into the lift alone. I was sure that there was no one in the lift but when I went down one floor my friend asked me why there were so many “people” in the lift. She had to squeeze in to get in. After I heard that I was scared out of my wits! I was really frightened. Since then I dare not use the lift!

My school has lots of scary places so you can use my school for your story. If you want to write more real stories, you can walk around my school. Your feeling must be really profound!

Talk to you soon, Chris
